

Would you like
your meat
raised without
antibiotics?

The following Colorado restaurants are among those that have taken action to transition away from serving meat raised with antibiotics.

BurgerFi
Hamburgers, Hot Dogs

Carl's Jr.
The All-Natural Burger

Culver's
Chicken Tenders

Chick-fil-A
Chicken (within five
years)

Chipotle
Chicken, pork

Good Times
Beef, Chicken

Illegal Pete's
All meat

Jason's Deli
Chicken

McDonald's
Chicken (within 2 years)

Noodles & Co
Pork, Chicken (CO only)

Panera
Chicken, Roasted
Turkey Sausage, Ham
(salads and sandwiches
only)

We are urging Subway and other restaurants to join this effort and stop the purchase of meat raised with antibiotics.
